

Form CS 10: Application for Graduate Teaching Assistantship

This form is for current graduate students only — all prospective graduate students are automatically evaluated for a Teaching Assistantship at the time of their application to the graduate program.

Instructions: Attach a one 1-page résumé to this form and submit it to the Computer Science Department receptionist, or mail the documents to the following address:

*Illinois Institute of Technology, Computer Science Department
Stuart Building, Room 236
10 West 31st Street
Chicago IL 60616
ATTN: TA Application Coordinator*

If you wish to request financial aid in the form of a research or teaching assistantship, please fill in the information below. Please bear in mind that very few students are awarded financial aid in their first semester. In most cases, teaching assistantships are awarded to students who are attending IIT and have demonstrated abilities in research and/or teaching. **You cannot have a Co-Op job and a Teaching Assistant job the same semester. The due dates for submission are January 1st for the Spring semester and August 1st for the Fall semester.**
